Tools: AutoCAD, SketchUp, Fusion 360, KeyShot, V-Ray, Autodesk Meshmixer, Figma, Adobe Photoshop, Adobe Illustrator, Adobe Premiere Pro, Unity

Methods: Project Planning, Design Research, Design Thinking, Concept Development, Workshop Facilitation, Prototyping

PROFESSIONAL EXPERIENCE

Interdisciplinary Designer | INRADA O.G.R.S Pvt. Ltd., Chennai, India | Jun 2024 – Jul 2025

- Planned the layout and facade for the company's second factory (Factory 2), working with vendors through negotiation and delivery.
- Produced 4 product catalogs and technical visualizations of engineering systems for client presentations.
- Managed the company LinkedIn page; 10–12 visual posts reached 5,000+ people and generated inbound leads.
- Promoted from Visual Communication Intern (Apr–May 2024) to a full-time role.

Independent Designer (Side Projects) | U.design (independent practice), India | 2022 – Present

- Rebranded Swapnopuron NGO's craft enterprise as Suto Katha in 4 months and trained 30+ women artisans in a 3-day digital selling workshop.
- Built a content strategy for Anucriti focused on reach and customer retention; monthly profile views grew from 20 to 7,000+ in 30 days.
- Developed the design concept for Swapnopuron's Swiss Pujo project in Switzerland, creating work for women artisans.
- Built brand identities for 3 clients: Yash Logistics, Yash Exports and Sattva Mind Clinic.

Visual Communication Designer (Freelance, part-time) | AB Engineering and Systems Pvt. Ltd., Chennai, India | May 2024 – May 2025

- Created a new visual language for the company, replacing its earlier identity, including the logo presented at its Chennai launch event.

Graphic Designer (Freelance) | Clothique.store, Remote | Oct 2023 – Mar 2024

- Delivered t-shirt graphics and product mockups across a 6-month engagement for a Gen-Z online fashion brand.

3D and Product Design Intern | SawBros Industries Pvt. Ltd., Noida, India | Apr 2023 – Sep 2023

- Prepared 3D treatment files in Autodesk Meshmixer for 50+ orthodontic patients.
- Prototyped a new orthodontic bracket concept and produced visuals for Dental Expo 2023.

Space and Expo Design Intern | U.P. Institute of Design, Noida, India | Feb 2023 – Mar 2023

- Modeled and rendered 3 campus spaces (cafeteria, Infinity Hall, Main Hall) for expo planning.

PROJECTS

PLUGIN 2024 Design Hackathon, First Place | EV mobility design system, Amity University, Noida | 2024

- Built a complete design system for electric vehicle mobility under hackathon time limits, earning first place.

Anucriti Boutique, Store Design and Branding | Retail space and brand design, Bangalore

- Designed a 1,000+ sq ft retail store for Anucriti, a Kolkata boutique opening in Bangalore, aligning the space with the brand.

Duck Duck Go, Mobile AR Game | Privacy awareness game, Unity, AR, NID Bangalore | 2026

- Designed and developed a mobile AR game in Unity, solo, that turns invisible online tracking into three trackers players hunt around their room.
- Built the play flow: a privacy switch on a browser screen reveals the trackers, players aim by moving the phone and score within 10 shots.
- Added an adjustable difficulty slider controlling tracker speed and direction changes.

Paws, Pet Adoption and Rescue App | App design and design system, U.P. Institute of Design | 2023

- Designed a mobile app and its design system to connect people with pets for adoption and rescue.

EDUCATION

M.Des, Design for Retail Experience | National Institute of Design (NID), Bangalore, India | 2025 – 2027 (expected)

B.Des, Product Design | U.P. Institute of Design (Dr. A.P.J. Abdul Kalam Technical University), Noida, India | 2020 – 2024 | Score: 76.5%
